Dear Customer,
Your information privacy is important to The National Commercial Bank. Hence, it is our duty to protect the information privacy of our customers.

- We will safeguard, according to strict standards of security and confidentiality, any information, which our customers share with us.
- We will limit the collection and use of customer information to the minimum we require to deliver superior service to our customers, which includes advising our customers about our products, services and other opportunities, and to administer our business.

Positioning and Location Data Policy:
All location-based services establish location through the use of satellite, mobile or other network. These technologies may involve exchanging your location data with The National commercial bank system that used by The National commercial bank to use our location based services and features for example: to locate our nearest branches or to receive our location based camping. Your location data will not be used to identify your entity without your approval.

You agree and accept all of the above.
