Report on Review of Interim Condensed Consolidated Financial Statements

To the Shareholders of The National Commercial Bank
(A Saudi Arabian Joint Stock Company)

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of The National Commercial Bank (the "Bank") and its subsidiaries (collectively referred to as the "Group") as at 31 March 2016 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the three months period then ended and the notes from 1 to 22, which form an integral part of these interim condensed consolidated financial statements. We have not reviewed note 19, nor the information related to "Disclosures under Basel III framework" cross-referenced therein, which is not required to be within the scope of our review. The Bank's management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with applicable Accounting Standards for Financial Institutions and certain capital adequacy disclosure requirements issued by the Saudi Arabian Monetary Agency ("SAMA") and with International Accounting Standard No. 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with generally accepted standards in the Kingdom of Saudi Arabia applicable to review engagements and with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards in the Kingdom of Saudi Arabia and International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

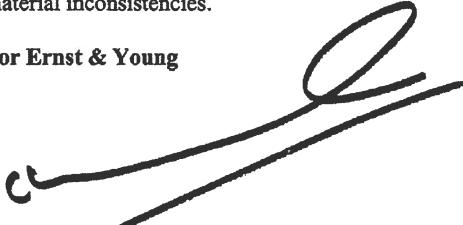

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with applicable Accounting Standards for Financial Institutions issued by SAMA and with International Accounting Standard No. 34.

Other regulatory matters

As required by SAMA, certain capital adequacy information has been disclosed in note 18 of the accompanying interim condensed consolidated financial statements. As part of our review, we compared the information in note 18 to the relevant analysis prepared by the Bank for submission to SAMA and found no material inconsistencies.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

31 March 2016 and 2015 (UNAUDITED)

1. GENERAL

(1.1) Introduction

The National Commercial Bank (the Bank) is a Saudi Joint Stock Company formed pursuant to Royal Decree No. M/19 on 23 Dhul Qida 1417H (31 March 1997), approving the Bank's conversion from a General Partnership to a Saudi Joint Stock Company.

The Bank commenced business as a partnership under registration certificate authenticated by a Royal Decree on 28 Rajab 1369H (15 May 1950) and registered under commercial registration No. 4030001588 issued on 27 Dhul Hijjah 1376H (24 July 1957). The Bank initiated business in the name of "The National Commercial Bank" under Royal Decree No. 3737 on 20 Rabi Thani 1373H (26 December 1953). The date of 1 July 1997 was determined to be the effective date of the Bank's conversion from a General Partnership to a Saudi Joint Stock Company.

The Bank's Head Office is located at the following address:

The National Commercial Bank
Head Office
King Abdul Aziz Street
P.O. Box 3555
Jeddah 21481, Saudi Arabia
www.alahli.com

The objective of the Group is to provide a full range of banking services. The Group also provides non-special commission based banking products in compliance with *Shariah* rules, which are approved and supervised by an independent *Shariah* Board.

The interim condensed consolidated financial statements comprise the financial statements of The National Commercial Bank and its subsidiaries (the Group) (see note 1.2).

The Board of Directors in their meeting dated 23 November 2015 resolved to close the Bank's branch operations domiciled in Beirut, Lebanon (the "branch"). During the three months period ended 31 March 2016, required regulatory approvals have been received and the closure is expected to be completed in due course.

(1.2) Group's subsidiaries

The details of the Group's subsidiaries are as follows:

(a) NCB Capital Company (NCBC)

In April 2007, the Bank formed a capital market company, namely, NCBC, a Saudi Joint Stock Company formed in accordance with Capital Market Authority's Resolution No. 2-83-2005 dated 21 Jumad Awal 1426H (28 June 2005), and registered in the Kingdom of Saudi Arabia to manage the Bank's investment services and asset management activities. The Bank has a 90.71% (31 March 2015: 90.71%) direct ownership interest in NCBC and an indirect ownership of 6.46% (31 March 2015: 3.93%) (the indirect ownership is held via an intermediary trust for future grant to NCBC employees).

(b) NCB Capital Dubai Inc. (formerly Eastgate Capital Holdings Inc.)

The Group has a 97.17% (31 March 2015: 85.18%) effective ownership interest in NCB Capital Dubai Inc. a Middle East-based private equity firm acquired through its subsidiary, NCBC. NCBC initially acquired a 77% direct ownership interest in NCB Capital Dubai Inc., which was reduced to 70% on 5 September 2013 without losing control. During the year ended 31 December 2015, NCBC completed the buy-out of the residual 30% from the non-controlling shareholders.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

31 March 2016 and 2015 (UNAUDITED)

2. BASIS OF PREPARATION

(2.1) Statement of compliance

These interim condensed consolidated financial statements are prepared in accordance with the Accounting Standards for Financial Institutions promulgated by the Saudi Arabian Monetary Agency (SAMA) and International Accounting Standard (IAS) 34 - Interim Financial Reporting. The Bank prepares its interim condensed consolidated financial statements to comply with the Banking Control Law and the Regulations for Companies in the Kingdom of Saudi Arabia. The interim condensed consolidated financial statements do not include all of the information required for full annual consolidated financial statements and should be read in conjunction with the Group's annual consolidated financial statements for the year ended 31 December 2015.

The preparation of interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these interim condensed consolidated financial statements, the significant judgments made by management in applying the Group's accounting policies are the same as those that applied to the annual consolidated financial statements for the year ended 31 December 2015.

(2.2) Basis of measurement

These interim condensed consolidated financial statements are prepared under the historical cost convention except for the measurement at fair value of derivatives, financial assets held for trading, held at Fair Value through Income Statement (FVIS) and available for sale investments. In addition, financial assets or liabilities that are carried at cost but are hedged in a fair value hedging relationship are carried at fair value to the extent of the risk being hedged.

(2.3) Functional and presentation currency

These interim condensed consolidated financial statements are presented in Saudi Riyals (SR) which is the Bank's functional currency and have been rounded off to the nearest thousand Saudi Riyals, except as otherwise indicated.

(2.4) Basis of consolidation

These interim condensed consolidated financial statements comprise the financial statements of "The National Commercial Bank" and its subsidiaries. The financial statements of the subsidiaries are prepared for the same reporting year as that of the Group, using consistent accounting policies.

(a) Subsidiaries

Subsidiaries are entities which are controlled by the Group. To meet the definition of control, all three of the following criteria must be met:

- i) the Group has power over an entity;
- ii) the Group has exposure, or rights, to variable returns from its involvement with the entity; and
- iii) the Group has the ability to use its power over the entity to affect the amount of the entity's returns.

Subsidiaries are consolidated from the date on which control is transferred to the Bank and cease to be consolidated from the date on which the control is transferred from the Bank. The results of subsidiaries acquired or disposed of during the period, if any, are included in the interim condensed consolidated statement of income from the date of the acquisition or up to the date of disposal, as appropriate.

(b) Non-controlling interests

Non-controlling interests represent the portion of net income and net assets of subsidiaries not owned, directly or indirectly, by the Bank in its subsidiaries and are presented separately in the interim condensed consolidated statement of income and within equity in the interim condensed consolidated statement of financial position, separately from the Bank's equity. Any losses applicable to the non-controlling interests in a subsidiary are allocated to the non-controlling interests even if doing so causes the non-controlling interests to have a deficit balance.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
31 March 2016 and 2015 (UNAUDITED)

2. BASIS OF PREPARATION (continued)

(2.4) Basis of consolidation (continued)

(c) Associates

Associates are enterprises over which the Bank exercises significant influence. Investments in associates are initially recognized at cost and subsequently accounted for under the equity method of accounting and are carried in the interim condensed consolidated statement of financial position at the lower of the equity-accounted or the recoverable amount.

Equity-accounted value represents the cost plus post-acquisition changes in the Bank's share of net assets of the associate (share of the results, reserves and accumulated gains/losses based on latest available financial statements) less impairment, if any.

The previously recognized impairment loss in respect of investment in associate can be reversed through the interim condensed consolidated statement of income, such that the carrying amount of the investment in the statement of financial position remains at the lower of the equity-accounted (before provision for impairment) or the recoverable amount. On derecognition the difference between the carrying amount of investment in associate and the fair value of the consideration received is recognized in the interim condensed consolidated statement of income.

(d) Transactions eliminated on consolidation

Intra-group balances, and income and expenses (except for foreign currency transaction gains or losses) arising from intra-group transactions are eliminated in preparing the interim condensed consolidated financial statements.

(2.5) Accounting policies

The accounting policies adopted in the preparation of these interim condensed consolidated financial statements are consistent with those followed in the preparation of the annual consolidated financial statements for the year ended 31 December 2015 except for the adoption of the following new standards and other amendments to existing standards mentioned below which had no significant financial impact on the interim condensed consolidated financial statements of the Group on the current period or prior period and is expected to have no significant effect in future periods:

a. New standards

- IFRS 14 – “Regulatory Deferral Accounts”, applicable for the annual periods beginning on or after 1 January 2016, allows an entity, whose activities are subject to rate regulation, to continue applying most of its existing accounting policies for regulatory deferral account balances upon its first time adoption of IFRS. The standard does not apply to existing IFRS preparers. Also, an entity whose current GAAP does not allow the recognition of rate-regulated assets and liabilities, or that has not adopted such policy under its current GAAP, would not be allowed to recognise them on first-time application of IFRS.

b. Amendments to existing standards

- Amendments to IFRS 10 – “Consolidated Financial Statements”, IFRS 12 – “Disclosure of Interests in Other Entities” and IAS 28 – “Investments in Associates”, applicable for the annual periods beginning on or after 1 January 2016, address three issues that have arisen in applying the investment entities exception under IFRS 10. The amendments to IFRS 10 clarify that the exemption from presenting consolidated financial statements applies to a parent entity that is a subsidiary of an investment entity, when the investment entity measures its subsidiaries at fair value. Furthermore, only a subsidiary of an investment entity that is not an investment entity itself and that provides support services to the investment entity is consolidated. All other subsidiaries of an investment entity are measured at fair value. The amendments to IAS 28 allow the investor, when applying the equity method, to retain the fair value measurement applied by the investment entity associate or joint venture to its interests in subsidiaries.

2. BASIS OF PREPARATION (continued)

b. Amendments to existing standards (continued)

- Amendments to IFRS 11 – “Joint Arrangements”, applicable for the annual periods beginning on or after 1 January 2016, require an entity acquiring an interest in a joint operation, in which the activity of the joint operation constitutes a business, to apply, to the extent of its share, all of the principles in IFRS 3 – “Business Combinations” and other IFRSs that do not conflict with the requirements of IFRS 11 Joint Arrangements. Furthermore, entities are required to disclose the information required by IFRS 3 and other IFRSs for business combinations. The amendments also apply to an entity on the formation of a joint operation if, and only if, an existing business is contributed by one of the parties to the joint operation on its formation. Furthermore, the amendments clarify that, for the acquisition of an additional interest in a joint operation in which the activity of the joint operation constitutes a business, previously held interests in the joint operation must not be remeasured if the joint operator retains joint control.

- Amendments to IAS 1 – “Presentation of Financial Statements”, applicable for the annual periods beginning on or after 1 January 2016, clarify, existing IAS 1 requirements in relation to;

- The materiality requirements in IAS 1.
- That specific line items in the statement(s) of profit or loss and other comprehensive income (“OCI”) and the statement of financial position may be disaggregated.
- That entities have flexibility as to the order in which they present the notes to financial statements.
- That the share of OCI of associates and joint ventures accounted for using the equity method must be presented in aggregate as a single line item, and classified between those items that will or will not be subsequently reclassified to profit or loss.

The amendments further clarify the requirements that apply when additional subtotals are presented in the statement of financial position and the statement(s) of profit or loss and OCI.

- Amendments to IAS 16 – “Property, Plant and Equipment” and IAS 38 – “Intangible Assets”, applicable for the annual periods beginning on or after 1 January 2016, restricts the use of ratio of revenue generated to total revenue expected to be generated to depreciate property, plant and equipment and may only be used in very limited circumstances to amortise intangible assets.

- Amendments to IAS 16 – “Property, Plant and Equipment” and IAS 41 – “Agriculture”, applicable for the annual periods beginning on or after 1 January 2016, change the scope of IAS 16 to include biological assets that meet the definition of bearer plants. Agricultural produce growing on bearer plants will remain within the scope of IAS 41. In addition, government grants relating to bearer plants will be accounted for in accordance with IAS 20 – “Accounting for Government Grants and Disclosure of Government Assistance”, instead of IAS 41.

- Amendments to IAS 27 – “Separate Financial Statements”, applicable for the annual periods beginning on or after 1 January 2016, allows an entity to use the equity method as described in IAS 28 to account for its investments in subsidiaries, joint ventures and associates in its separate financial statements.

2. BASIS OF PREPARATION (continued)

(2.5) Accounting policies (continued)

- Annual improvements to IFRS 2012-2014 cycle, applicable for annual periods beginning on or after 1 January 2016.
A summary of the amendments is as follows;

- IFRS 5 – “Non-current Assets Held for Sale and Discontinued Operations”, amended to clarify that changing from one disposal method to the other would not be considered a new plan of disposal, rather it is a continuation of the original plan. There is, therefore, no interruption of the application of the requirements in IFRS 5.
- IFRS 7 – “Financial Instruments: Disclosures” has been amended to clarify that a servicing contract that includes a fee can constitute continuing involvement in a financial asset. The nature of the fee and the arrangement should be assessed in order to consider whether the disclosures are required under IFRS 7 and the assessment must be done retrospectively. IFRS 7 has been further amended to clarify that the offsetting disclosure requirements do not apply to condensed interim financial statements, unless such disclosures provide a significant update to the information reported in the most recent annual report.
- IAS 19 – “Employee Benefits” – amendment clarifies that market depth of high quality corporate bonds is assessed based on the currency in which the obligation is denominated, rather than the country where the obligation is located. When there is no deep market for high quality corporate bonds in that currency, government bond rates must be used.
- IAS 34 – “Interim Financial Reporting” – amendment clarifies that the required interim disclosures must be either in the interim financial statements or incorporated by cross-referencing to the interim financial report (e.g., in the management commentary or risk report). However, the other information within the interim financial report must be available to users on the same terms as the interim financial statements and at the same time.

The tables below show the positive and negative fair values of derivative financial instruments, together with the notional amounts analyzed by the term to maturity and monthly average. The notional amounts, which provide an indication of the volumes of the transactions outstanding at the end of the period, do not necessarily reflect the amounts of future cash flows involved. These notional amounts, therefore, are neither indicative of the Group's exposure to credit risk, which is generally limited to the positive fair value of the derivatives, nor to market risk.

16. FAIR VALUES OF FINANCIAL ASSETS AND LIABILITIES AND FAIR VALUE HIERARCHY

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction takes place either:

- In the accessible principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous accessible market for the asset or liability.

Fair value information of the Group's financial instruments is analysed below.

a. Fair value information for financial instruments at fair value

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: quoted prices in active markets for the same or identical instrument that an entity can access at the measurement date;

Level 2: quoted prices in active markets for similar assets and liabilities or valuation techniques for which all significant inputs are based on observable market data; and

Level 3: valuation techniques for which any significant input is not based on observable market data.

The following table shows the fair values of financial assets and financial liabilities carried at fair value, including their levels in the fair value hierarchy.

b. Fair value information for financial instruments not measured at fair value

The fair value of financing and advances, net amounts to SR 263,400 million (31 December 2015: SR 253,101 million and 31 March 2015: SR 225,504 million).

The fair values of due from banks and other financial institutions, held to maturity investments, other investments held at amortized cost, due to banks and other financial institutions, customers deposits and debt securities issued at 31 March 2016, 31 December 2015 and 31 March 2015 approximate their carrying values.

c. Valuation technique and significant unobservable inputs for financial instruments at fair value

The Group uses various valuation techniques for determination of fair values for financial instruments classified under levels 2 and 3 of the fair value hierarchy. These techniques and the significant unobservable inputs used therein are analysed below.

The Group utilises fund manager reports (and appropriate discounts or haircuts where required) for the determination of fair values of private equity funds and hedge funds. The fund manager deploys various techniques (such as discounted cashflow models and multiples method) for the valuation of underlying financial instruments classified under level 2 and 3 of the respective fund's fair value hierarchy. Significant unobservable inputs embedded in the models used by the fund manager include risk adjusted discount rates, marketability and liquidity discounts and control premiums.

For the valuation of unquoted debt securities and derivative financial instruments, the Group obtains fair value estimates from reputable third party valuers, who use techniques such as discounted cash flows, option pricing models and other sophisticated models.

d. Transfer between Level 1 and Level 2

There were no transfers between level 1 and level 2 during the three months period ended 31 March 2016 (31 March 2015: Nil).

18. CAPITAL ADEQUACY

The Group's objectives when managing capital are to comply with the capital requirements set by SAMA to safeguard the Group's ability to continue as a going concern and to maintain a strong capital base.

The Group monitors the adequacy of its capital using the ratios and weights established by SAMA. These ratios measure capital adequacy by comparing the Group's eligible capital with its statement of financial position assets, commitments and contingencies and notional amount of derivatives at a weighted amount to reflect their relative credit risk, market risk and operational risk. SAMA requires Banks to hold the minimum level of the regulatory capital and maintain a ratio of total eligible capital to the risk-weighted asset at or above the agreed minimum of 8%. Regulatory Capital is computed for Credit, Market and Operational risks which comprise the Pillar 1 minimum capital requirements.

SAMA has issued the framework and guidance regarding implementation of the capital reforms under Basel III - which are effective from 1 January 2013. Accordingly, the Group's consolidated Risk Weighted Assets (RWA), total eligible capital and related ratios on a consolidated group basis are calculated under the Basel III framework.

The following table summarizes the Bank's Pillar-1 Risk Weighted Assets, Tier 1 and Tier 2 capital and capital adequacy ratios.

	Risk weighted assets		
	31 March 2016 (Unaudited) SR 000	31 December 2015 (Audited) SR 000	31 March 2015 (Unaudited) SR 000
Credit risk	337,521,764	328,281,725	291,320,054
Operational risk	29,606,328	29,525,304	27,420,068
Market risk	7,534,979	7,347,137	8,465,088
Total Pillar-1 - risk weighted assets	374,663,071	365,154,166	327,205,210
Core capital (Tier 1)	58,267,492	55,101,066	48,206,706
Supplementary capital (Tier 2)	7,768,695	7,707,197	7,634,126
Core and supplementary capital (Tier 1 and Tier 2)	66,036,187	62,808,263	55,840,832
Capital Adequacy Ratio (Pillar 1):-			
Core capital (Tier 1)	15.6%	15.1%	14.7%
Core and supplementary capital (Tier 1 and Tier 2)	17.6%	17.2%	17.1%

Tier 1 capital of the Group comprises share capital, statutory reserve, other reserves, proposed dividend, retained earnings, tier 1 eligible debt securities and non-controlling interests less treasury shares, goodwill, intangible assets, foreign currency translation reserve and other prescribed deductions. Tier 2 capital comprises of eligible debt securities issued and prescribed amounts of eligible portfolio (collective) provisions less prescribed deductions.

The Group uses the Standardized approach of Basel III to calculate the risk weighted assets and required Regulatory Capital for Pillar -1 (including credit risk, market risk and operational risk). The Group's Risk Management is responsible for ensuring that minimum required Regulatory Capital calculated is compliant with Basel III requirements. Quarterly prudential returns are submitted to SAMA showing the Capital Adequacy Ratio.

19. DISCLOSURES UNDER BASEL III FRAMEWORK

Certain additional disclosures are required under the Basel III framework. These disclosures will be published on the Bank's website www.alahli.com within the prescribed time as required by SAMA. Such disclosures are not subject to review/audit by the external auditors of the Bank.

20. COMPARATIVE FIGURES

Certain prior period figures have been reclassified to confirm to current period presentation, which are not material in nature.

21. SUBSEQUENT EVENT/NON-ADJUSTING

On 4 April 2016, the Group completed the buy-out of Eastgate MENA Direct Equity L.P. (the "fund"), a private equity fund domiciled in Cayman Islands and managed by NCB Capital Dubai. The transaction has been approved by the relevant regulatory authorities and the acquisition price has been duly paid out to the divesting shareholders. Subsequent to the acquisition, the Group management has re-assessed its control over the fund in view of the increase in its effective aggregated economic interest and other related factors, pursuant to which the fund shall be consolidated prospectively in the financial statements of the Group.

22. BOARD OF DIRECTORS' APPROVAL

The interim condensed consolidated financial statements were approved by the Board of Directors on 12 Rajab 1437H (corresponding to 19 April 2016).
